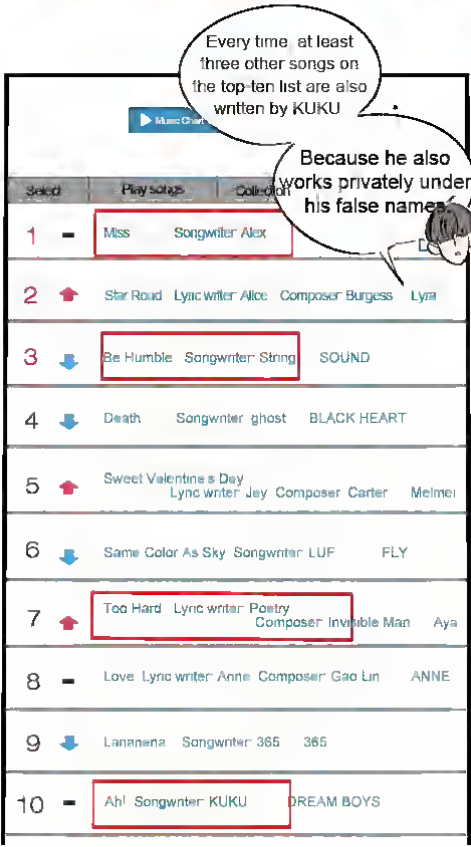
Although their company is small and short of handsome idols,
because of KUKU's talent for writing music, their songs can always be on the top-ten list.
Note

9	⬇	lananana	Songwriter	365	365
10	-	Ah!	Songwriter	KUKU	DREAM BOYS

This is not the point, the point is...



Every time, at least three other songs on the top-ten list are also written by KUKU
Because he also works privately under his false names!

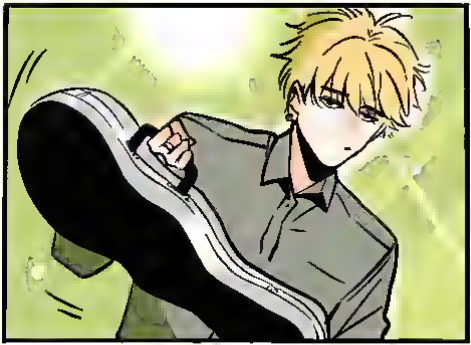
He would rather play a minor role in an unknown idol group, than become a well-known songwriter, what an unique guy!



HA
HA

These are all understandable
